REPORT OF THE BOARD OF EDUCATION  
OF THE  
TOWN OF ROLLINSFORD

For the Year Ending February 15, 1913.

---

We have had to substitute teachers in quite a number of instances, and a few changes have been made, but there still remains at the helm, a large per cent of our old teachers who have done such good work that our schools, in spite of many changes, still retain the good discipline and are in a very prosperous condition. We don't enjoy these changes, but think we have been most kindly favored in the past. Judging from reports of our pupils who have entered other schools and from those who have come into our schools from other places, our standard of excellence is fully at par with the best. We are glad to know that the best of feeling exists between pupil, teacher and parent, and that there has not been any resort to rigid discipline.

While we sadly miss many of our pupils, especially from the Village. We are pleased to note that those remaining are doing their level best to keep up the reputation of our schools. We have increased the pay of

most of our teachers, believing it better to retain those tried and true, rather than those who are inexperienced. And still we are not quite up to the prices paid in our more progressive towns. Our school rooms and buildings are in most excellent condition, but we sadly need a better sanitary condition in our out buildings at the Village. Water and a sewerage system would improve conditions very much. We trust in the near future to see a manifest change in this deplorable condition. Again we wish to thank the public for their hearty support.

The list of teachers is as follows:

8th and 9th grades,	Miss Elizabeth M. Adams.
6th and 7th	“ Miss Helen B. Tighe.
4th and 5th	“ Miss Mary M. Tate.
3rd	“ Miss Florence Philpott.
2nd	“ Miss Lillias Brewer.
1st	“ Miss Margaret Ellis.
Sullivan school,	Miss Bernice Doherty.
Quamphegan	“ Miss Annie G. Brown.
Turnpike	“ Miss Eva Abbott.
Pear Yard	“ Miss Mabel Hill.
